Non-primary party candidates	Independent Candidates
 You do not need to submit this form.	Collect signatures: Friday, December 15, 2023 - December 20, 2023. File starting: December 15, 2023. File ending: December 20, 2023.
	File this form with your general registrar.

When an independent candidate files petition pages with the General Registrar for the first time, they must file their Declaration of Candidacy.

Candidates running for the special election may file petition pages more than once.

See the table on page 11 for the number of signatures needed.

Independent candidates will appear on the ballot in the order of time of filing for the office - the time at which the independent candidate files the required number of petition signatures. If no petition is required, the time of filing will be when the candidate files a completed statement of qualification.

At the time of filing you can request notification of any problems that can be corrected before the filing deadline. Make this request in writing and address it to the Secretary of the local electoral board.

They will try to get back to you but cannot guarantee a timely response.

If you do not qualify as a candidate because you did not have enough signatures, then you can submit an appeal to the local electoral board regarding the petition signatures.

Submit your appeal **within 5 days** from when the disqualification notice was issued.

You will need to prove that you have the correct number of signatures from qualified voters before the deadline.

Things to remember about petitions:

Petition Pages must...

- be on the form from the Department of Elections, and you cannot alter it in any way.
- be either letter or legal size. Both are available on the [Department of Elections website](#).
- be one page printed on the front and back. You can make as many copies as you need.
- contain the signature, printed full name, and full residence address of each qualified voter and the date the voter signed. The last four (4) digits of the qualified voter's Social Security number are helpful, but not required.

The petition circulator...

- must be a legal resident of the United States and must sign the affidavit for each page in front of a notary.
- cannot be a minor.
- can be an individual who was convicted of a felony only if their voting rights are restored.
- cannot be the circulator of the page on which they sign the petition.

When collecting your petition signatures, it is helpful to remember that...

- Because people who are not registered to vote often sign petitions for candidates, we recommended that you collect at least 1 ½ times the number of signatures required.
- [1VAC20-50-20](#) lists material omissions for petition signatures and pages. If your petition has a material omission, it may render the page or signature invalid.

Petition Signature Requirements

Office you seek	Number of petition signatures you need from qualified voters
For a candidate for the Senate of Virginia...	250 signatures

Can I withdraw my candidacy?
