<http://elections.virginia.gov/index.php/candidatepac-info/becoming-a-candidate/>

Certificate of Candidate Qualification - Local Offices SBE-501(4) Rev ~~7/12~~ 1/15

This document is prepared and distributed by the Department of Elections. **All** candidates are required to file this form. In accordance with SBE Policy [2010-003](#), the certificate of candidate qualification may not be filed with the Fairfax County general registrar's office until after January 1, 2015. The original signed document must be received by the Fairfax County general registrar's office. The general registrar's office cannot accept a faxed or emailed copy of a candidate's certificate of candidate qualification (§ [24.2-501](#)).

Special Note (2/10/2015): This document was revised in January 2015. The previous version of the form contained outdated references to the "State Board of Elections". The new form now reflects the agency's name change to the "Department of Elections". The previous version of SBE-501(4) Rev 7/12 is still valid and will be accepted if filed properly.

Declaration of Candidacy SBE-505/520 Rev ~~11/09~~ 1/15

This document is prepared and distributed by the Department of Elections. It must be filed by independent (non-party) candidates. The declaration must be filed **at the same time** as the petitions.

Special Note (2/10/2015): This document was revised in January 2015. The previous version of the form contained an outdated reference to the "State Board of Elections". The new form now reflects the agency's name change to the "Department of Elections". The previous version of SBE-505/520 Rev 11/09 is still valid and will be accepted if filed properly.

Petition of Qualified Voters SBE-506/521 Rev 1.2013

This document is prepared and distributed by the Department of Elections. Petitions containing at least the number of signatures required for the office sought must be filed **together with the declaration of candidacy**. Petitions must be filed by all independent (non-party) candidates and **cannot** be circulated until **after** January 1, 2015 (§ [24.2-506](#)).

Petition Circulator

A candidate's petition may be circulated by any person who is a legal resident of the United States of America. Circulators may not be minors or felons whose voting rights have not been restored.

Special Note: The U.S. Supreme Court denied certification of Virginia's appeal in the 2012 Libertarian Party of Virginia v. Judd et al. case. The decision leaves in place the U. S. 4th Circuit Court's directive that prohibits the State Board of Elections from enforcing the in-state residency requirement to circulate a candidate's petition contained within § 24.2-506.

V. DOCUMENTS REQUIRED TO BE FILED (continued) Rev 2/10/15

Petition of Qualified Voters SBE-506/521 Rev 1.2013 (continued)

The person circulating the petition must affirm before a notary or other person authorized to administer oaths, that s/he **personally witnessed** the affixing of each signature. Falsely taking this affidavit is a felony under Virginia law. The circulator **NEVER** can leave the petition unattended, e.g., left on the counter at a grocery store, restaurant, etc.

Number of Signatures Required

Petitions must contain the signatures of at least **125** qualified voters of the Town of Vienna. The Department of Elections recommends that a candidate get at least 1½ times the number of signatures required to assure that enough signers are qualified voters. (For example: ELECT recommends candidates for town council with a 125 signature requirement gather at least 200 signatures.)

Frequently Asked Questions Regarding Petitions

The following are frequently asked questions received regarding the petition process:

1. Do I have to print the petition double-sided or may I staple two separate pages together and circulate?

Answer: **A petition page is a double-sided document with both a front and back.** If your printer is unable to print a double sided document, you must copy the two separate printed pages (i.e. front and back page) so that you end up with a double-sided single page. The front and back of the petition cannot be stapled together and circulated as one petition page.

2. What happens if I need additional time to gather the required number of signatures?

Answer: **Neither the general registrar nor ELECT have authority to accept additional petitions after the applicable candidate filing deadline.**

3. Who is responsible for ensuring my petition signers and circulators are eligible to sign and/or circulate my petition?

Answer: **The candidate.** As a courtesy, general registrars have the option of verifying the number of qualified voters that have signed a candidate's petitions prior to the filing deadline for the purpose of alerting the candidate of deficiencies. However, it is the candidate's ultimate responsibility to ensure that he or she gathers the requisite number of signatures of qualified voters, utilize eligible circulators, and otherwise follow the procedures laid out in the law. Candidates for election or political party nomination to further his/her candidacy may purchase from the Department of Elections a list of registered voters for his/her election district. Purchasing the list may aide in petition signature proficiency.

4. Is it required for the petitions to be notarized?

Answer: **Yes.** Section [24.2-506](#) requires that each petition circulator's affidavit be notarized. Circulators should verify that the notary provides their photographically reproducible notary seal/stamp, notary registration number, date notary commission expires and notary signature to each petition page.

5. Must I provide my driver's license number and state of issuance when completing the petition affidavit?

Answer: **No.** The information is not required and does not invalidate the petition if left blank.

V. DOCUMENTS REQUIRED TO BE FILED (continued) Rev 2/10/15

Petition of Qualified Voters SBE-506/521 Rev 1.2013 (continued)

Frequently Asked Questions Regarding Petitions (continued)

6. I see two versions of the Petition of Qualified Voters form available on ELECT's website, which one should I use?

Answer: **Either the letter size (8 ½" x 11") or legal size (8 ½" x 14") petition may be used.** The legal size version contains more signature lines than the letter size version. The letter size version fits more neatly on a clip board. Personal preference will prevail.

The request letter must be addressed to the Secretary of the Electoral Board of Fairfax County. It must accompany the declaration of candidacy and the petitions filed with the general registrar.

IX. APPEAL TO DEFICIENCY IN PETITION SIGNATURES

Section [24.2-506](#) of the Code of Virginia grants a nonparty candidate the right to appeal a local electoral board's determination of deficiencies with his/her petition signatures [§ 24.2-506(C)]. The State Board's regulation articulating the appeal process is provided below.

1VAC20-50-30. Appeals of petition signature insufficiency

A. Pursuant to the requirements of §§ 24.2-506 and 24.2-543 of the Code of Virginia, a candidate for office, other than a party nominee, may appeal a determination that the candidate has failed to provide the required number of valid petition signatures necessary to qualify to appear on the ballot.

B. Any communication or notice required in this section shall be made in writing and delivered by mail or, unless otherwise prohibited by the Code of Virginia, electronically by electronic mail or facsimile. Notice of appeal from candidates must bear a photographically reproducible notary seal and be received by the deadlines established within this section.

C. A candidate for a county, city, or town office shall file his appeal with the local electoral board. A candidate for any other office shall file his appeal with the State Board of Elections.

D. A candidate for an office other than President of the United States must file his appeal within five (5) calendar days of the issuance of the notice of disqualification.

1VAC20-50-30. Appeals of petition signature insufficiency (continued)

Electronic mail will be the preferred method of notifying the candidate if such address has been provided by the candidate, otherwise, notice shall be sent by first-class mail.

G. The candidate bears the burden of proof in establishing that a sufficient number of signatures from qualified voters were timely provided.

1. The candidate must submit a list containing the rejected signatures to be reviewed and the specific reason for each signature's reconsideration at least two (2) business days prior to the date on which the appeal will be heard. If the candidate submits no list, or submits a list that contains an insufficient number of names and reconsideration reasons to make up the number of signatures by which the candidate was deemed deficient, no appeal shall be held and the initial determination that the candidate did not qualify for the ballot will be final.

2. The candidate may submit documents clarifying the status of persons whose signatures were rejected for lacking proper registration status or residence.

3. The candidate may submit documents establishing the age of majority for any signer who was listed as ineligible due to status of being a legal minor.

4. The candidate may submit affidavits from persons whose signatures were rejected due to illegibility that attest to their identity. If possible, the affidavits should state the person's name, residence address, and a reasonable description of the location where approached by the circulator to sign the petition.

5. The candidate may not submit documents establishing that a petition signer became registered or updated their voter registration status to the address provided upon the petition after the established candidate filing deadline for the office sought.

H. Individual signatures reconsidered during the appeal will only count towards the candidate's requisite number if a majority of board members agree that sufficient evidence exists for their inclusion.

I. All determinations of the board before which the appeal is being heard shall be considered final and not subject to further appeal.
