I. OFFICES

Listed below are the offices to which this bulletin applies:

A. Mayor

If the City or Town Charter specifies that this officer is elected by the voters, this office will appear on the city or town ballot.

B. Council Members

The number elected is specified in the City or Town Charter. This governing body may be elected either At Large and/or by district. When members are elected At Large, all voters in the city or town vote for the same candidates. If members are elected by district, only voters who reside in the city or town district in which the candidate is running are eligible to vote for that candidate.

C. School Board

This office will appear on the ballot only if the voters of the city or, if the town has a separate school division, the voters of the town have approved a referendum changing the method by which school board members are chosen, from appointment by the governing body or school board selection commission to election by the voters. Virginia law requires that these members be elected in the same manner and for the same term as the city or town council. The above category explains the manner in which they may be elected.

This election is required by law to be **non-partisan** (§ 22.1-57.3(E)). This means that no candidate for school board may be nominated by a political party. The endorsement of a non-party candidate by a political party is permitted.

D. Town Recorder or Town Treasurer

These offices are elected by the voters only if it is specified in the Town Charter. If elected, all town voters vote for these offices.

II. ELECTION DISTRICT

As used herein, election district means the area the candidate will represent if elected. See each local office listed above for details.

III. ADVERTISING AND CAMPAIGN MATERIALS

The Campaign Finance Disclosure Act imposes certain requirements relating to advertising and identification of campaign ads and materials, including sample ballots.

Refer to Chapter 14 the *Candidate Campaign Committee Summary* published by the State Board of Elections for specific requirements.

The following is provided for your additional information:

A. **Sample Ballots**

Any **sample** of a paper or voting equipment **ballot** must contain the words **SAMPLE BALLOT**, the appropriate statement required by the Campaign Finance Disclosure Act and, in addition, must:

- (1) contain the words **SAMPLE BALLOT** in not less than 24 point type; and
- (2) be printed on paper of a color **other than white** or **yellow (canary)**.

B. **Posting**

Contact your City or Town Manager to determine whether local ordinances prohibit or restrict the posting of campaign materials.

No locality shall have the authority to prohibit the display of political campaign signs on **private property** if the signs are in compliance with zoning and right of way restrictions applicable to temporary nonpolitical signs and if the signs have been posted with the permission of the owner of the property. [§15.2-109 of the *Code of Virginia*]

C. **Violations**

If you believe that either any local ordinance or any election law has been violated and you have facts concerning the violation, you should report them in writing to the Commonwealth's Attorney for the city or county in which the violation happened.

Violations of state-owned right of way restrictions should be reported to your regional Virginia Department of Transportation office.

IV. VDOT INFORMATION

A “clean” campaign is a sign of the times

**Don’t “trash” your print budget or throw away volunteer time.**

HIGHWAY WORKERS ARE REQUIRED BY LAW TO REMOVE POSTERS AND FLYERS ON SIGNS, GUARDRAILS - OR ANYWHERE ELSE ON STATE-OWNED RIGHT OF WAY. CAMPAIGN PRINT MATERIALS ARE TOO EXPENSIVE TO WIND UP IN THE BACK OF A VDOT TRUCK. AND VOLUNTEER TIME IS TOO VALUABLE TO BE WASTED ON PUTTING UP MATERIALS THAT ARE DESTINED TO COME DOWN.

**Don’t make highway workers “play politics” on the job.**

PICKING UP POLITICAL MATERIALS IS A COSTLY ACTIVITY FOR VDOT. BUT THE COST TO THE CANDIDATE COULD BE EVEN HIGHER. VOTERS DON’T LIKE TO SEE THEIR TAX DOLLARS SUPPORTING SUCH ACTIVITIES. THEY EXPECT TO SEE HIGHWAY WORKERS PATCHING POTHOLES, FILLING LOW SHOULDERS, OR MOWING GRASS.

**Don’t let campaign materials turn into litter.**

MANY VOTERS VOLUNTEER THEIR TIME TO CLEAN UP ROADSIDES IN VDOT’S “ADOPT-A-HIGHWAY” PROGRAM. AFTER SPENDING SEVERAL BACK-BREAKING HOURS BENDING OVER TO PICK UP POLITICAL POSTERS, THEY WON’T FEEL TOO KINDLY TOWARDS THE NAMES AND FACES THAT THEY SEE OVER AND OVER AGAIN.

**Don’t get “stuck” by bumper stickers.**

ONE LITTLE BUMPER STICKER CAN CAUSE A LOT OF EXPENSE. IF APPLIED TO A ROADSIDE SIGN, THE STICKY RESIDUE IS ALMOST IMPOSSIBLE TO REMOVE. THE SIGN MAY HAVE TO BE REPLACED ENTIRELY. THE LARGE GREEN HIGHWAY SIGNS, FOR EXAMPLE, CAN COST UP TO \$800. EVEN A HUMBLE STOP SIGN COSTS MORE THAN \$50. DON’T RISK ALIENATING VOTERS BY DESTROYING THE VERY SIGNS THAT THEIR TAX DOLLARS HAVE PAID FOR.

**Don’t risk someone’s life.**

ONE MISPLACED SIGN AT AN INTERSECTION COULD BLOCK A MOTORIST’S VISION - AND COST SOMEONE HIS LIFE. THAT’S WHY VDOT TRAFFIC ENGINEERS REVIEW THE PLACEMENT AND POSITION OF EACH HIGHWAY SIGN TO ENSURE SAFETY - AND TO MINIMIZE “VISUAL CLUTTER”. UNDERSTANDABLY, CAMPAIGN VOLUNTEERS ARE THINKING ABOUT VICTORY - NOT SAFETY. AND THAT COULD POSE A DEADLY PROBLEM.

DO put signs, posters, and other campaign materials anywhere you want on private property with the owner’s permission, of course. And because political signs and posters located off the right of way aren’t considered outdoor advertising, you won’t even need a permit.

VDOT - call your local Virginia Department of Transportation office for details.

V. QUALIFICATIONS TO BE A CANDIDATE

A candidate must be:

- ◆ Qualified to vote for and hold the office sought;
- ◆ A resident of the Commonwealth for one year immediately preceding the election;
- ◆ A resident, by the time of filing, of the city or town in which he offers for election; and
- ◆ If he is seeking a district seat, a resident of the election district to be represented.

VI. DOCUMENTS REQUIRED TO BE FILED

A candidate must file certain documents in order to qualify to appear on the ballot. Each form is described below. An explanation of who is required to file each item also is provided. Each document can be downloaded from our website:

http://www.sbe.virginia.gov/cms/Cidate_Information/Cidate_Forms.html

A. **Statement of Organization for a CANDIDATE**

REV (1/25/12)

This document is prepared and distributed by the State Board of Elections. It must be filed by all candidates for city offices and town offices in towns with a population size of 25,000 or greater. A town governing body in a town with 25,000 or less population size may adopt an ordinance requiring candidates to comply with the provisions of the Campaign Finance Disclosure Act (e.g. Town of Herndon, Fairfax County). Please check with your town manager to see if your town has adopted such an ordinance.

Any individual serving as campaign treasurer must be a qualified voter of the Commonwealth of Virginia. A candidate may serve as his own treasurer.

Virginia law requires the candidate to provide his/her full name, home mailing address, email address and daytime phone number. The Treasurer, if applicable, must also provide his/her name, home mailing address, email address and daytime phone number.

A candidate must file a Statement of Organization and register as a candidate for campaign finance purposes within 10 days of meeting any of the requirements listed below.

- Acceptance of a contribution;
- Expenditure of any funds;
- The payment of a filing fee for any party nomination method;
- The filing of a candidate statement of qualification pursuant to § 24.2-501; or
- The appointment of a campaign treasurer, designation of a campaign committee, or designation of a campaign depository.

VI. DOCUMENTS REQUIRED TO BE FILED (continued)

B. Certificate of Candidate Qualification

This document is prepared and distributed by the State Board of Elections. **All** candidates are required to file this form.

C. Declaration of Candidacy

This document is prepared and distributed by the State Board of Elections. It must be filed by independent (non-party) candidates. If petitions are required to be filed, it must be filed **at the same time** as the petitions.

Candidates for political party nomination by a method **other than a primary** file this declaration and the petitions described below only if so required by the rules of the political party. Contact your city chair to determine if they are required. Historically, candidates in town elections file as Independents.

D. Petition of Qualified Voters

This document is prepared and distributed by the State Board of Elections. If required, petitions containing at least the number of signatures required for the office sought must be filed **together with** the *Declaration of Candidacy*. Petitions must be filed by Independent (non-party) candidates.

General Election candidates **cannot** circulate petitions until **after** January 1, 2012.

1. Petition Circulator

Petitions can be circulated either by the candidate or by another person who is, or who is eligible to be, registered and qualified to vote for the office and, if applicable, in the district in which the candidate is seeking election. For At Large seats, petitions can be circulated by any eligible resident of the city or town in which the candidate is seeking election; for a specific district or ward, by any eligible resident of the **same** district or ward as the candidate.

The person circulating the petition must affirm before a notary or other person authorized to administer oaths, that he **personally witnessed** the affixing of the signatures. Falsely taking this affidavit is a felony under Virginia law. The circulator **NEVER** can leave the petition unattended, e.g., left on the counter at a grocery store, restaurant, etc.

Special Note: The State Board of Elections is aware of the recent Fourth Circuit Court of Appeals ruling in *Lux v. Judd*, 10-1997 which strikes down the petition circulator residency requirement. However, until Virginia Code Sections 24.2-506 and 24.2-521 are amended to mirror the Court's ruling, the Petition of Qualified Voter form SBE-506\521 will remain unchanged.

VI. DOCUMENTS REQUIRED TO BE FILED (continued)

2. Number of Signatures Required

Petitions must contain the signatures of at least the number of qualified voters listed below.

A. In Cities:

- ♦ for Mayor
 - **125** signatures of qualified voters of the city the candidate seeks to represent.
- ♦ for city council and city school board
 - **125** signatures of qualified voters of the election district (At Large or specific district or ward).

Exception - if the city election district contains 1,000 or fewer registered voters as of January 1, 2012, petitions must contain the signatures of at least 50 qualified voters of the district\ward.

B. In Towns:

- ♦ **with 1,500 or fewer registered voters as of January 1, 2012:**
 - No petition is required.
- ♦ **with more than 1,500 registered voters as of January 1, 2012:**
 - for **At Large** seats, petitions must contain the signatures of at least **125** qualified voters of the town;
 - for town district seats, petitions must contain the signatures of at least **25** qualified voters of the town district.

Call your general registrar to find out which signature requirement applies to you.

If petitions are required, the State Board recommends that a candidate get at least half again the number of signatures required to assure that enough signers are qualified voters. (For example: SBE recommends candidates for city council gather at least 200 signatures.)

VI. DOCUMENTS REQUIRED TO BE FILED (continued) REV 1/31/12

3. The Impact of Redistricting on the Petition Gathering Process

The information discussed in this section only applies to candidates for City Council, Town Council and City School Board elected by District\Ward in the cities of Covington, Franklin, Newport News, Norfolk, Waynesboro and the towns of Hillsville, South Hill and Warrenton.

Section 24.2-311(B) requires that this May's election must be conducted based on the new districts\wards adopted by the governing body to accomplish the decennial redistricting. Further, sections 24.2-506 and 24.2-521 both permit circulation of petitions after January 1, 2012 and require that the candidate for a district\ward office must obtain a certain number of signatures of registered district\ward voters.

The new district boundaries will be adopted by the City Council\Town Council in late 2011 or early 2012. After adoption, the city\town must submit its redistricting plan to the U. S. Department of Justice for preclearance.

Candidates can choose to wait to gather signatures after the local district lines have been adopted or circulate before adoption. If the petition is circulated pre-adoption, the signatures gathered may turn out to be invalid post-adoption (e.g. voters who signed or the petition circulator is moved out of the district\ward by the redistricting process). All petitions filed with the General Registrar pre-adoption will be held and checked against the post-implementation voter rolls. Please check with your local General Registrar's office for a more specific implementation schedule.

4. Regulation on Material Omissions on Candidate Petitions

The State Board of Elections' Material Omission Regulation identifies what does and does not constitute a material omission on a candidate's petition for the purpose of disallowing the petition. The regulation has been included below for your convenience Please review the regulation before circulating the Petition of Qualified Voters form.

1VAC20-50-20. Material omissions from candidate petitions.

A. Pursuant to the requirements of § 24.2-506 of the Code of Virginia, a petition page should not be rendered invalid if it contains an error or omission not material to its proper processing.

B. The following omissions are always material and any petition containing such omissions should be rendered invalid if:

1. The petition submitted is not the double-sided, two-page document, or a copy thereof, provided by the State Board of Elections;
2. The petition does not have the name, or some variation of the name, and address of the candidate on the front of the form;
3. The circulator has not signed the petition affidavit and provided his current address;
4. The circulator is not a registered voter or qualified to register and vote for the candidate;

VI. DOCUMENTS REQUIRED TO BE FILED (continued)

4. Regulation on Material Omissions on Candidate Petitions (continued)

5. The circulator has not signed each petition page he circulated in the presence of a notary;
6. The circulator has not had a notary sign the affidavit for each petition submitted; or
7. Any combination of the scenarios of this subsection exists.

C. If the circulator signs the petition in the "Signature of Registered [Voters," Voter,"] his signature shall be invalidated but the petition page shall be valid notwithstanding any other error or omission.

D. The petition should not be rendered invalid if:

1. An older version of the petition is used (provided that the information presented complies with current laws, regulations, and guidelines);
2. The "office sought" is omitted;
3. The "congressional district" is omitted;
4. The "election information" including (i) county, city, or town in which the election will be held; (ii) election type; and (iii) date of election are omitted;
5. The name of the candidate and office sought are omitted from the back page of the petition;
6. The circulator has not indicated the county, city, or town of his voter registration or voter eligibility in the affidavit;
7. The circulator has not provided the last four digits of his social security number in the affidavit;
8. The notary has not affixed a photographically reproducible seal; or
9. The notary has not included his registration number and commission expiration date.

5. Frequently Asked Questions Regarding Petitions

The following are frequently asked questions received regarding the petition process:

1. Do I have to print the petition double-sided or may I staple two separate pages together and circulate?

Answer: A petition page is a double-sided document with both a front and back. You need to print out the petition double-sided. The front and back of the petition pages cannot be stapled together and circulated as one petition page.

2. What happens if I need additional time to gather the required number of signatures?

Answer: Neither the general registrars nor SBE have authority to accept additional petitions after 7 PM, March 6, 2012.

VI. DOCUMENTS REQUIRED TO BE FILED (continued)

5. Frequently Asked Questions Regarding Petitions (continued)

3. Who is responsible for ensuring my petition signers and circulators are eligible to sign and/or circulate my petition?

Answer: **The candidate.** As a courtesy, general registrars have the option of verifying the number of qualified voters that have signed a candidate's petitions prior to the filing deadline for the purpose of alerting the candidate of deficiencies. However, it is the candidate's ultimate responsibility to ensure that he or she gathers the requisite number of signatures of qualified voters, utilize eligible circulators, and otherwise follow the procedures laid out in the law. A candidate that files the Certificate of Candidate Qualification with his\her general registrar may purchase from the State Board of Elections a list of registered voters for their election district. Purchasing the list may aide in petition signature proficiency.

4. Is it required for the petitions to be notarized?

Answer: Yes. Sections 24.2-506 and 24.2-521 require that each petition circulator's affidavit be notarized. Candidates should verify that the notary provides their photographically reproducible notary seal\stamp, notary registration number, date notary commission expires and notary signature to each petition page.

5. I see two versions of the Petition of Qualified Voters form available on SBE's website, which one should I use?

Answer: Either the letter size (8 ½" x 11") or legal size (8 ½" x 14") petition may be used. The legal size version contains more signature lines than the letter size version. The letter size version fits more neatly on a clip board. Personal preference will prevail.

E. Statement of Economic Interests

This document is prepared by the Secretary of the Commonwealth and should be available from the clerk of the governing body or the clerk of the school board. It is required to be filed by all candidates for Mayor, Council or School Board in cities or towns **having a population in excess of 3,500.**

Exception - Individuals who are officers or employees of the city or town need not re-file this form as candidates if they met the requirement for filing in January 2012.

Failure to so qualify creates a vacancy in the office.

XIII. FREQUENTLY ASKED QUESTIONS

Listed below are the most commonly asked questions. If you need further details, please call us on our toll-free number.

A. Who may circulate a candidate's petitions?

A candidate may circulate his own petitions but is not required to do so. A candidate's petitions may be circulated by any person who is, or who is eligible to be, a registered and qualified voter of the election district. See Item VI D1 for details.

B. I am circulating a petition for a candidate. May I also sign as a qualified voter the petition that I am circulating?

I am a Notary circulating petitions for a candidate. May I notarize the petition pages I circulate?

NO TO BOTH. The person circulating the petition must swear, under oath, that he **personally witnessed** the affixing of each signature on the petition and no person can witness his own signature.

Any Notary who violates these provisions is considered guilty of official misconduct, may be removed from office and may be subject to other penalties.

An election is considered partisan if any of the candidates for the office you would seek are nominated by a political party.

To determine whether you might also be affected by the rules and regulations of the agency for which you work, **contact your personnel officer**.

It should also be noted that most employees of the legislative branch of the federal government are not covered by the Hatch Act but may be affected by other rules and regulations.

XIII. FREQUENTLY ASKED QUESTIONS (continued)

- E. I work for the state or a local government; can I be a candidate?

Some state and local government employees **are prohibited** from being candidates. - F. I do business with my local government; am I prohibited from holding office on its governing body due to a conflict of interest?
