

## CITY SCHOOL BOARD ELECTIONS May Even-Numbered Years

The election schedule is shown **only** for cities whose voters voted on and approved the elected school board referendum. Each city governing body must have adopted an ordinance establishing its method of election for this office and submitted that ordinance to, and received approval for it from, the U.S. Department of Justice. Cities in which the elected school board referendum has not yet been presented to voters are shown at the end of this schedule. Those school board members are appointed.
