

Examples of Voter Photo ID Cards Photos Unacceptable Photos

Unacceptable Guide:

1. Face is not framed, torso is predominant, top of head is cut out of picture
2. Picture is at an angle, bright light in the picture
3. Applicant is not in focus, locality signage incorporated into picture
4. Applicant is too close
5. Picture is too dark

ELECT will attempt to perform minor adjustments on the unacceptable pictures.

However, the ID may not be printed if the print shop deems that the picture cannot be adjusted
