

Verity Touch Writer

Ballot Marking Device

Equality of access
for all voters.

Hart's Touch Writer is a ballot marking device that allows all voters to have the same paper ballots for an equal, private voting experience. With easy deployment on a compact hardware platform and a commercial off-the-shelf printer, Verity Touch Writer makes paper ballot voting easy, affordable, and adaptable.

Verity Touch Writer: Features & Benefits

<p>▶ The most intuitive voting experience ever The Touch Writer interface, based on EAC/AIGA "Design for Democracy" templates, is modern, fresh, and intuitive. The 12.1" touchscreen interface offers clarity and confidence for voters, with fewer keystrokes, higher voter satisfaction, and reduced residual votes.</p>	<p>▶ Flexibility, physical access and privacy Supports frontal and parallel wheelchair access, many choices for voter personalization and comfort (video-only; audio-only; adaptive devices), and flexibility for placement in the polling place, so there are no bottlenecks and maximum quiet and privacy.</p>
<p>▶ Cost effective Compatible with commercial off-the-shelf printers</p>	<p>▶ ADA/Accessible, True equality of access Touch Writer prints a full-size marked ballot from blank stock, providing equality of access for all voters.</p>
<p>▶ Print from blank stock and save Eliminate the need to pre-print ballots. Reduce costs by only printing the ballots that voters need.</p>	<p>▶ Never wait for ballots to load No ballots to load, and no waiting – after the electronic ballot is activated, voters can begin marking selections right away.</p>

Ease of access with complete privacy for all voters.

Easy transport, set-up, and storage. Touch Writer is completely self-contained in a secure case.
