## I. ADVERTISING AND CAMPAIGN MATERIALS

Virginia's Campaign Finance Disclosure Act of 2006 imposes certain requirements relating to advertising and identification of campaign ads and materials, including sample ballots.

The specific requirements related to political advertisement disclosure are available in Chapter 14 of ELECT's Summary of Laws and Policies Candidate Campaign Committees document. The Summary may be downloaded from ELECT's website: <http://elections.virginia.gov/Files/CandidatesAndPACs/LawsAndPolicies/CandidatesSummary.pdf>. If you have questions relating to campaign finance, please call our toll-free number or send an email to [cfda@elections.virginia.gov](mailto:cfda@elections.virginia.gov).

The following is provided for an additional understanding of the subject matter:

**Sample Ballots** - Any **sample** of a paper or voting equipment **ballot** must contain the words **SAMPLE BALLOT**, the appropriate authority statement required by the Campaign Finance Disclosure Act and, in addition, must:

- (1) contain the words **SAMPLE BALLOT** in not less than 24 point type; and
- (2) be printed on paper of a color **other than white** or **yellow (canary)**.

**Posting** - Contact your county administrator or city manager to determine whether local ordinances prohibit or restrict the posting of campaign materials.

No locality shall have the authority to prohibit the display of political campaign signs on **private property** if the signs are in compliance with zoning and right of way restrictions applicable to temporary nonpolitical signs and if the signs have been posted with the permission of the owner of the property. [§ [15.2-109](#) of the *Code of Virginia*] Please note that some homeowner associations may prohibit the placement of political signs in yards.

**Violations** - If you believe that either any local ordinance or any election law has been violated and you have facts concerning the violation, you should report them in writing to the Commonwealth's Attorney in the county or city in which the violation happened.

Violations of state-owned right of way restrictions should be reported to your regional Virginia Department of Transportation office.

## II. QUALIFICATIONS TO BE A CANDIDATE

A candidate must be:

- Qualified to vote for and hold the office sought;
- Twenty-one years of age by the time of the election;
- A resident of the Commonwealth for one year immediately preceding the election; and
- A resident, by the time of filing, of the House of Delegates district to be represented.

## III. DISQUALIFICATION IF CFDA REPORTS NOT FILED FOR PRIOR ELECTION

Individuals who are seeking, and who during the preceding five years have campaigned for, the offices of Governor, Lieutenant Governor, Attorney General, the Virginia Senate or House of Delegates must have filed all required campaign contributions and expenditures reports for those past campaigns in order to qualify as a new candidate for the House of Delegates. This is required by § [24.2-948.3](#) of the *Code of Virginia* and is in addition to other requirements for candidacy.

## IV. DOCUMENTS REQUIRED TO BE FILED

A candidate must file certain documents in order to qualify to appear on the ballot. Each form is described below. An explanation of who is required to file each item also is provided. Each document can be downloaded from our website:

<http://elections.virginia.gov/index.php/candidatepac-info/candidate-forms/>

### **Statement of Organization Candidate CFDA-947.1 Revised May 28, 2014**

**All** General Assembly candidates must comply with the provisions of Virginia's Campaign Finance Disclosure Act of 2006 (CFDA). The first requirement of the Act for most candidates will be the completion of the statement of organization, candidate form CFDA-947.1 Rev 5/28/14. The statement is prepared and distributed by the Department of Elections. It is available in printed form in the "Campaign Finance Disclosure Forms" section of the ELECT's website:

<http://elections.virginia.gov/index.php/candidatepac-info/campaign-finance-disclosure-forms/>.

The statement is also available within ELECT's electronic filing software known as COMET. For more information about the COMET system, please visit ELECT's "Campaign Finance Filing" webpage:

<http://elections.virginia.gov/index.php/candidatepac-info/campaign-finance-filing/>.

ELECT highly recommends reviewing the "COMET User Manual" before establishing a COMET "profile/account".

#### IV. DOCUMENTS REQUIRED TO BE FILED (continued)

##### **Statement of Organization Candidate CFDA-947.1 Revised May, 28, 2014**

(continued)

A helpful resource in understanding Virginia's CFDA as it relates to the proper completion of the statement of organization is the Departments' Summary of Laws and Policies Candidate Campaign Committees document. The Summary is available on ELECT's CFDA "Laws and Policies" webpage:

<http://elections.virginia.gov/index.php/candidatepac-info/regulation-and-policies/>.

The statement of organization is discussed in length in Chapter 2 of the Summary. Below and on the next page are several important facts from Chapter 2:

- A candidate must provide his/her voter registration number and county or city of residence on the statement of organization.
- A candidate may serve as his/her own treasurer.
- A candidate campaign committee treasurer must provide his/her voter registration number and county or city of residence on the statement of organization.
- A candidate must file the statement of organization within 10 days of completing any one of the commencement factors identified in Section 2.1, Chapter 2, of ELECT's Summary of Laws and Policies Candidate Campaign Committees document. The commencement factors are found on page 10 of the Summary.
- A candidate must file an amended statement of organization within 10 days of any change to a candidate's campaign committee information.
- A candidate must send the original, signed version, and any amended statements of organization forms, to the Virginia Department of Elections. A copy of the candidate's statement must also be sent to the local electoral board of the candidate's county or city of residence.
- A candidate who chooses to file paper CFDA reporting forms will be charged a \$25 administrative fee per report filed (see [1VAC20-90-20](#)).

Virginia's Campaign Finance Disclosure Act is a very dense subject. If the Summary is unable to answer an individual's question, ELECT staff is available. Please call the Department on its toll free number or send an email to [cfda@elections.virginia.gov](mailto:cfda@elections.virginia.gov).

##### **Certificate of Candidate Qualification – General Assembly SBE-501(6) Rev 11/09**

This document is prepared and distributed by the Department of Elections. **All** candidates are required to file this form. The original signed document must be received by the Department. ELECT cannot accept a faxed or emailed copy of a candidate's certificate of candidate qualification.

## IV. DOCUMENTS REQUIRED TO BE FILED (continued)

### **Declaration of Candidacy SBE-505/520 Rev 11/09**

This document is prepared and distributed by the Department of Elections. It must be filed by primary election candidates and independent (non-party) candidates. The declaration must be filed **at the same time** as the petition of qualified voter forms.

Candidates for political party nomination by a method **other than a primary** file the declaration and the petitions described below, only if so required by the rules of the political party. Contact your senatorial/legislative district chair to determine if they are required.

### **Petition of Qualified Voters SBE-506/521 Rev 1.2013**

This document is prepared and distributed by the Department of Elections. Petitions containing at least the number of signatures required for the office sought must be filed **together with** the *declaration of candidacy*. Petitions must be filed by all independent (non-party) candidates. The number of petition signatures needed for each office is covered in the section at the bottom of this page.

### **Petition Circulator**

A candidate's petition may be circulated by any person who is a legal resident of the United States of America. Circulators may not be minors or felons whose voting rights have not been restored.

**Special Note:** The U.S. Supreme Court denied certification of Virginia's appeal in the 2012 Libertarian Party of Virginia v. Judd et al. case. The decision leaves in place the U. S. 4<sup>th</sup> Circuit Court's directive that prohibits the State Board of Elections from enforcing the in-state residency requirement to circulate a candidate's petition contained within §§ 24.2-506, 24.2-521 and 24.2-543.

The person circulating the petition must affirm before a notary or other person authorized to administer oaths, that s/he **personally witnessed** the affixing of each signature. Falsely taking this affidavit is a felony under Virginia law. The circulator **NEVER** can leave the petition unattended, e.g., left on the counter at a grocery store, restaurant, etc.

### **Number of Signatures Required**

Petitions must contain the signatures of at least **125** qualified voters of the House District in which the candidate is seeking election.

## IV. DOCUMENTS REQUIRED TO BE FILED (continued)

### **Petition of Qualified Voters SBE-506/521 Rev 1.2013** (continued)

#### **Number of Signatures Required** (continued)

The Department recommends that a candidate get at least 1½ times the number of signatures required to assure that enough signers are qualified voters. (For example: ELECT recommends candidates for the House of Delegates with a 125 signature requirement gather at least 200 signatures.)

#### **The State Board's Regulation on Material Omissions on Candidate Petitions and Petition Signature Qualifications**

The State Board of Elections' Material Omission Regulation identifies what does and does not constitute a material omission on a candidate's petition and petition signatures for the purpose of allowing or disallowing both. The entire regulation is provided below and on the following pages for your convenience.

#### **1VAC20-50-20. Material Omissions from Candidate Petitions and Petition Signature Qualifications.**

1. The petition signer is a qualified voter who is maintained on the Virginia voter registration system either (i) with active status or (ii) with inactive status and qualified to vote for the office for which the petition was circulated;
2. The signer provides his name; and

#### Frequently Asked Questions Regarding Petitions

The following are frequently asked questions received regarding the petition process:

1. Do I have to print the petition double-sided or may I staple two separate pages together and circulate?

Answer: **A petition page is a double-sided document with both a front and back.** You need to print out the petition double-sided. The front and back of the petition cannot be stapled together and circulated as one petition page.

2. What happens if I need additional time to gather the required number of signatures?

Answer: **Neither the general registrars nor ELECT have authority to accept additional petitions after the applicable candidate filing deadline.**

3. Who is responsible for ensuring my petition signers and circulators are eligible to sign and/or circulate my petition?

Answer: **The candidate.** As a courtesy, general registrars have the option of verifying the number of qualified voters that have signed a candidate's petitions prior to the filing deadline for the purpose of alerting the candidate of deficiencies. However, it is the candidate's ultimate responsibility to ensure that he or she gathers the requisite number of signatures of qualified voters, utilize eligible circulators, and otherwise follow the procedures laid out in the law. A candidate that files the certificate of candidate qualification with the State Board of Elections may purchase a list of registered voters for their election district. Purchasing the list may aid in petition signature proficiency.

4. Is it required for the petitions to be notarized?

Answer: **Yes.** Sections [24.2-506](#) and [24.2-521](#) require that each petition circulator's affidavit be notarized. Circulators should verify that the notary provides their photographically reproducible notary seal\stamp, notary registration number, date notary commission expires and notary signature to each petition page.

5. Must I provide my driver's license number and state of issuance when completing the petition affidavit?

Answer: **No.** The information is not required and does not invalidate the petition if left blank.

#### IV. DOCUMENTS REQUIRED TO BE FILED (continued)

##### **Petition of Qualified Voters SBE-506/521 Rev 1.2013** (continued)

##### **Frequently Asked Questions Regarding Petitions** (continued)

6. I see two versions of the petition of qualified voters form available on ELECT's website, which one should I use?

Answer: **Either the letter size (8 ½" x 11") or legal size (8 ½" x 14") petition may be used.** The legal size version contains more signature lines than the letter size version. The letter size version fits more neatly on a clip board. Personal preference will prevail.

## VII. REQUIREMENTS FOR INDEPENDENT CANDIDATE TO USE PARTY ID ON THE BALLOT

Virginia Code Section [24.2-613](#) permits an Independent to be identified on the ballot as a member of a political party (other than the Democratic Party or the Republican Party). In order to do so, the state chairman of the group must provide certain documents to the Department of Elections **no later than 5:00 PM on Tuesday, June 16, 2015.**

These documents are:

1. An affidavit signed by the state Chairman of the group, under oath, stating that the group:
  - a. Has been in existence for at least six months prior to the filing deadline (existed on or before December 16, 2014);
  - b. Has a state central committee composed of registered voters from each of Virginia's 11 congressional districts;
  - c. Has a party plan and bylaws; and
  - d. Has a duly designated chairman and secretary.
2. A list of the names and resident addresses of the officers and members of the state central committee;
3. A copy of the party plan and bylaws; and
4. A letter signed by the state chairman of the group, certifying that the individual is the nominee of the party and, if his/her filing is adequate and s/he is determined to be qualified, is eligible to be identified as such on the July 21, 2015 ballot for the (provide office title) and in the (provide district number) for which s/he filed as an Independent candidate.
5. A letter signed by the nominee accepting the party's nomination.

### **NOTE:**

The Department of Elections recommends that the Independent candidate **immediately** provide this information to the state chairman of the political party if s/he wishes to be identified as a member of a specific group on the June 16<sup>th</sup> ballot to assure that the deadline for providing this information is met.

## VIII. NOTICE OF DEFICIENCIES IN DECLARATION OR PETITIONS

An independent [non-party] candidate may request notification of any problems with his/her filing that can be corrected **before** the filing deadline. This request **must be in writing** as required by § [24.2-505](#) of the *Code of Virginia*.

This letter must be addressed to the secretary of the electoral board of the candidate's county or city of residence. It must accompany the declaration of candidacy and petitions filed with the general registrar.

The written request **does not guarantee** timely response. Certain factors may affect the electoral board's ability to follow through, in this case, the extremely truncated filing window.

## IX. APPEAL TO DEFICIENCY IN PETITION SIGNATURES

Virginia Code Section [24.2-506](#) grants a nonparty candidate the right to appeal the Department of Election's determination of deficiencies with his/her petition signatures [§ 24.2-506(C)]. The State Board's regulation articulating the appeal process is provided below.

### **1VAC20-50-30. Appeals of petition signature insufficiency**

- A. Pursuant to the requirements of §§ 24.2-506 and 24.2-543 of the Code of Virginia, a candidate for office, other than a party nominee, may appeal a determination that the candidate has failed to provide the required number of valid petition signatures necessary to qualify to appear on the ballot.
- B. Any communication or notice required in this section shall be made in writing and delivered by mail or, unless otherwise prohibited by the Code of Virginia, electronically by electronic mail or facsimile. Notice of appeal from candidates must bear a photographically reproducible notary seal and be received by the deadlines established within this section.
- C. A candidate for a county, city, or town office shall file his appeal with the local electoral board. A candidate for any other office shall file his appeal with the State Board of Elections.
- D. A candidate for an office other than President of the United States must file his appeal within five (5) calendar days of the issuance of the notice of disqualification.
- E. A candidate for President must file his appeal within seven (7) calendar days of the issuance of the notice of disqualification.

## IX. APPEAL TO DEFICIENCY IN PETITION SIGNATURES

**1VAC20-50-30. Appeals of petition signature insufficiency** (continued)

- F. The proper body to which the appeal notice was given shall establish the time and place where the appeal will be heard and convey this information immediately to the candidate. Electronic mail will be the preferred method of notifying the candidate if such address has been provided by the candidate, otherwise, notice shall be sent by first-class mail.
- G. The candidate bears the burden of proof in establishing that a sufficient number of signatures from qualified voters were timely provided.
1. The candidate must submit a list containing the rejected signatures to be reviewed and the specific reason for each signature's reconsideration at least two (2) business days prior to the date on which the appeal will be heard. If the candidate submits no list, or submits a list that contains an insufficient number of names and reconsideration reasons to make up the number of signatures by which the candidate was deemed deficient, no appeal shall be held and the initial determination that the candidate did not qualify for the ballot will be final.
  2. The candidate may submit documents clarifying the status of persons whose signatures were rejected for lacking proper registration status or residence.
  3. The candidate may submit documents establishing the age of majority for any signer who was listed as ineligible due to status of being a legal minor.
  4. The candidate may submit affidavits from persons whose signatures were rejected due to illegibility that attest to their identity. If possible, the affidavits should state the person's name, residence address, and a reasonable description of the location where approached by the circulator to sign the petition.
  5. The candidate may not submit documents establishing that a petition signer became registered or updated their voter registration status to the address provided upon the petition after the established candidate filing deadline for the office sought.

## IX. APPEAL TO DEFICIENCY IN PETITION SIGNATURES

### 1VAC20-50-30. Appeals of petition signature insufficiency (continued)

- H. Individual signatures reconsidered during the appeal will only count towards the candidate's requisite number if a majority of board members agree that sufficient evidence exists for their inclusion.
- I. All determinations of the board before which the appeal is being heard shall be considered final and not subject to further appeal.

## X. POST-ELECTION CFDA REPORT AND PAYMENT OF OUTSTANDING CIVIL PENALTIES

**All** candidates must file *pre-election* and *post-election* reports of campaign contributions and expenditures. These reports are filed with the Department of Elections **and**, if reports are filed in paper form, with the electoral board of the candidate's county or city of residence. For more information on when reports are due, visit our website:

<http://elections.virginia.gov/index.php/candidatepac-info/campaign-finance-disclosure-forms/>

A person elected cannot assume office until s/he files his/her post-election report and has paid any outstanding civil penalties (§ [24.2-948.2](#)). A post-election report must be filed with the Department of Elections and, if reports are filed in paper form, with the local Electoral Board, with sufficient time to allow for, if necessary, assessment of a penalty by ELECT and payment of the penalty before commencement of service in the House of Delegates. The post-election report must include activity through Election Day.

No certificate of election can be issued to any successful candidate who fails to file the post-election report and/or has any unpaid civil penalties.

## XI. ORDER OF NAMES ON BALLOTS

### In **Special Elections**

If multiple candidates are on the ballot, the State Board of Elections will perform a drawing to determine the order of names on the ballot. Democratic or Republican candidates appear as the first two names (order determined by the drawing). Third-party candidates appear after Democratic or Republican candidates, if present. If multiple third-party candidates achieve ballot access, the State Board of Elections will perform another drawing to determine the ballot order for each third party candidate. Non-partisan or independent candidates appear next in alphabetical order by last name.

## XII. THE SUCCESSFUL CANDIDATE

The successful candidate must file as a condition to assuming office, after the election and before taking office, with the Clerk of the House of Delegates, a **second** Statement of Economic Interests as required by §§ [30-110](#) and [30-111](#) of the *Code of Virginia*. The form is prescribed by, and available from the Clerk of the House of Delegates, P.O. Box 406, Richmond 23218. It is also available in the candidate forms section of the Department's website (<http://elections.virginia.gov/index.php/candidatepac-info/candidate-forms/>). Failure to so qualify creates a vacancy in the office.

## XIII. FREQUENTLY ASKED QUESTIONS

Listed below are the most commonly asked questions. If you need further details, please call us on our toll-free number.

### A. Who may circulate a candidate's petitions?

Answer: **A candidate's petition may be circulated by any person who is a legal resident of the United States of America. Circulators may not be minors or felons whose voting rights have not been restored.**

**Special Note:** The U.S. Supreme Court denied certification of Virginia's appeal in the 2012 Libertarian Party of Virginia v. Judd et al. case. The decision leaves in place the U. S. 4<sup>th</sup> Circuit Court's directive that prohibits the State Board of Elections from enforcing the in-state residency requirement to circulate a candidate's petition contained within §§ 24.2-506, 24.2-521 and 24.2-543.

The circulator must affirm before a notary or other person authorized to administer oaths, that he **personally witnessed** the affixing of each signature. Falsely taking this affidavit is a felony under Virginia law. The circulator can **NEVER** leave the petition unattended, e. g., left on the counter at a grocery store, restaurant, etc.

### B. I am circulating a petition for a candidate. May I also sign as a qualified voter the petition that I am circulating?

I am a Notary circulating petitions for a candidate. May I notarize the petition pages I circulate?

Answer: **No to both questions.** The person circulating the petition must swear, under oath, that he **personally witnessed** the affixing of each signature on the petition and no person can witness his own signature.

### XIII. FREQUENTLY ASKED QUESTIONS (continued)

- C. I am a candidate and a notary. May I notarize the petition pages circulated by other persons?

Answer: **No.** § 47.1-30 of the *Code of Virginia* prohibits a notary from performing a notarial act on any document in which the notary or his spouse is a party, **or** in which either of them has a direct beneficial interest.

Any notary who violates these provisions is considered guilty of official misconduct, may be removed from office and may be subject to other penalties.

- D. I work for the federal government. Can I be a candidate?

Answer: **Generally, No since the election is a partisan election.**
