DEPARTMENT *of* ELECTIONS

## NATIONAL VOTER REGISTRATION ACT TRAINING & REFERENCE MANUAL

PREPARED BY:  
GARRY E. ELLIS  
NVRA COORDINATOR

## **CHAPTER 1 - INTRODUCTION**

### **THE PURPOSE OF THE ACT**

---

The purpose of the National Voter Registration Act is to increase the number of citizens registered to vote and to establish safeguards that ensure a citizens' right to vote. The Act is designed to increase the number of Americans registered to vote by requiring many public agencies to provide registration opportunities to their clients in conjunction with other services.

### **DEFINITION OF VOTER REGISTRATION SITES**

---

In addition to the Department of Motor Vehicles, the National Voter Registration Act of 1993 requires that individuals be given the opportunity to register to vote (or to change their voter registration data) in elections for federal and/or state office when applying for (or receiving) services or assistance from certain other state agencies designated by statute.

### **WHEN TO PROVIDE CLIENTS AN OPPORTUNITY TO REGISTER**

---

Individuals must be provided this opportunity not only at the time of their original application for services, but also when filing any recertification, re-admission, renewal, or change of name or address form relating to such services [42 D.S.C. § 7(a)(6)(A)].

You must provide the clients at your agency with the same level of assistance, including bilingual services where necessary, in completing a voter registration and/or certification form as you provide in completing your own forms, unless the applicant refuses such assistance [42 D.S.C. §§ 7(a)(4)(A)(ii) and 7(a)(6)(C)].

### **INFLUENCING PREFERENCE OF AN INDIVIDUAL**

---

The person who provides such services as stated previously in the agency is prohibited from:

- ⇒ seeking to influence an applicant's party preference,
- ⇒ displaying any such political or candidate preference or party allegiance,
- ⇒ making any statement or taking any action whose purpose or effect is to discourage the applicant from registering to vote, or
- ⇒ making any statement or taking any action whose purpose or effect is to lead the applicant to believe that a decision whether or not to register has any bearing on the availability of services or benefits [42 D.S.C. § 7(a)(5)].

### **DOCUMENTS TO REGISTER OR DECLINE**

---

Those who accept or decline to register to vote must do so by completing the *Commonwealth of*

*Virginia Voter Registration Agency Certification* form. The certification form and its instructions are provided in Chapter 3 of this document. This form is to be kept in the client's file, or other designated place, so other agency personnel will know that an individual has been offered the opportunity to register. **Note: Do not mail certification forms to the Department of Elections.**

If a client requests to register to vote, a *Virginia Voter Registration Application* form must be completed. An example of the *Virginia Voter Registration Application* form and instructions on completing the form are provided in Chapter 4 of this document. These forms are then forwarded to the Department of Elections for processing.

## **VOTER CONFIDENTIALITY**

No information regarding a person's declination to register may be used for any purpose other than voter registration [42 U.S.C. § 7(a)(7)].

Similarly, if an individual does register to vote, the particular agency at which the applicant submits a voter registration application may not be publicly disclosed [42 U.S.C. §§ 8(a)(6) and 8(1)(1)].

The application cannot be copied or used for any purpose other than voter registration in the Commonwealth of Virginia.
