Candidates running for the general election may file petition pages more than once. See the table on page 12 for the number of signatures needed.

Independent candidates will appear on the ballot in the order of time of filing for the office - the time at which the independent candidate files the required number of petition signatures. If no petition is required, the time of filing will be when the candidate files a completed statement of qualification.

They will try to get back to you but cannot guarantee a timely response.

Submit your appeal **within 5 days** from when the disqualification notice was issued. You will need to prove that you have the correct number of signatures from qualified voters before the deadline.

Things to remember about petitions:

Petition Pages must...

- be on the form from the Department of Elections, and you cannot alter it in any way
- be either letter or legal size. Both are available on the [Department of Elections website](#).
- be one page printed on the front and back. You can make as many copies as you need.
- contain the signature, printed full name, and full residence address of each qualified voter and the date the voter signed. The last four (4) digits of the qualified voter's Social Security number are helpful, but not required.

The petition circulator...

- must be a legal resident of the United States and must sign the affidavit for each page in front of a notary.
- cannot be a minor.
- can be an individual who was convicted of a felony only if his/her voting rights are restored.
- cannot be the circulator of the page on which they sign the petition.

When collecting your petition signatures, it is helpful to remember that...

- Because people who are not registered to vote often sign petitions for candidates, we recommended that you collect at least 1 ½ times the number of signatures required.
- [1VAC20-50-20](#) lists material omissions for petition signatures and pages. If your petition has a material omission, it may render the page or signature invalid.
